*Margaret Olive Woodhead  
September 15, 1919—April 4, 2013*

To Margaret:

On April 4th, the good Lord said  
I come for you, get out of bed  
To meet the family, that you have missed  
Away she rose, with just one kiss.

Your job on earth, now is done  
I have a place for you to come  
Be free of all your hurt and pain  
The family in HEAVEN, to see again

Behind, you leave such a legacy  
Memories, laughter, devotion and need  
To express the hearts that you have touched  
Is remembering on, your kindness, so much

The laughter, the fun, the tears we shared  
Was truly about, how much I cared  
I'm going to miss you alot "My dear"  
And in my heart, I'll hold you near

Butterflies, flowers, hummingbirds, sun  
"Crescent Bay," is where you're from  
So now's the time for you to rest  
"Whistle Punk" girl, you were the best !!
